

Connecting
the City People, Density &
Infrastructure

Sydney, Australia • 30 October–3 November 2017

CTBUH is bringing its [2017 Conference](#) to Sydney and KONE is proud to be a Platinum Sponsor, hosting the Smart Tall Buildings Room as part of the core conference program. Join our sessions to learn more about the innovative solutions for smarter, taller buildings and network with top industry experts from around the world.

KONE will be hosting two days program in [Smart Tall Building Room](#) as part of the impressive [Conference program](#), and a [Networking Reception](#) in [O Bar and Dining](#), followed by a tour to the iconic [KONE References](#) in Sydney.

We look forward to meeting you at our events during CTBUH in Sydney!
